Description

Toddlers will love learning rhythm and music with Basic Beat's Single Bell Jingle. A bell is attached to the end of a colorful, durable, wooden handle. Add to the fun by purchasing one for each hand. Kids 18 months and older can shake the bell to produce a beautiful ring or tap two handles together to produce even more sounds. To further engagement, consider purchasing 2 more for parents to play along with their children.

SAVE - Note price break when purchasing 10 or more!
