

Freenotes Harmony Park Griffin (In-ground)

\$4,349.00

Product Images

Description

Freenotes Harmony Park outdoor musical instruments are designed for easy playability, little to no maintenance, can withstand the elements, and are fun for absolutely ANY age or ability.

Their stunning structural designs and eclectic timbres are perfect for outdoor musical playgrounds, museums, and/or exploration trails and parks.

The Freenotes Harmony Park Griffin In Ground is a resonating set of 11 chime bars. The long sustain is glorious. Includes 2 mallets attached to a steel cable with a nylon coating.

Easy to follow installation instructions are provided with every Freenotes Harmony Park product.

All Freenotes Harmony Park outdoor musical instruments have a 5 year manufacturer's warranty.
