Description

The ***Sing at First Sight*** Level 1 Reproducible Companion CD Kit (book and CD) directly correlates with the lessons from level 1 of the "Sing at First Sight" vocal method (sold separately, item 802683). The companion kit augments the series with six units and over 80 reproducible pages of exercises, activities, and assessments. The included CD provides ear-training activities and recorded accompaniments for the six end-of-unit songs.
