Description

Holiday Plays

By Carol Kaplan-Lyss

Book and Performance/Accompaniment CD

Grades PreK-2

Ages 4-8

The two lighthearted musicals included in this book will make planning your seasonal performances a snap! The included CD has two tracks for each song - one with vocals, and one with just the instrumental accompaniment. Children will love playing the roles of singing foods that could be enjoyed for Thanksgiving, instead of eating turkey, in "No Turkey for Perky". In "Bob Humbug", they will learn alongside the main character that helping others can make you happy. There are hours of extension activities that connect the plays to other subject areas, which include art, manners, history, and animal science.
