Description

Recorder Revolutions by Tim Wiegand is a high-energy, comprehensive soprano recorder curriculum intended to get your kids motivated to learn how to read and play music!

Students will have opportunities to play-along with the tracks, sing, speak, improvise, echo, dance, and play Orff instruments. The Interactive Digital Visuals are for Smart and Promethean Boards or PowerPoint. The over 130 interactive colorful slides contain scored playable music, form, question & answer charts, fingering charts, song lyrics, videos, and more!

Note progression: B, A, G, E, D, F, C', D', F#, C, E'

The complete set includes:

- Teacher Book with 2 CDs,
- Student Book with CD, and an
- Interactive whiteboard CD-ROM

Save and enjoy all the components of the popular Recorder Revolutions in one complete package!
