

More Easy Ukulele Songs Student Book

\$10.00

Product Images

Description

The student book includes the music and online audio access for all the songs in the teacher's guide (864302). Chords are introduced through several one-chord songs. 22 easy two-chord songs and 13 songs with three or more chords are given. Reading notes and playing melodies are not addressed - the focus is on learning songs to sing and strum. Minimum purchase of 5 student books is required.
