Description

The age-old sounds of Ireland, England, Scotland and early America come to life with this remarkable book with online audio. This tin whistle book is compatible with all tin whistles, pennywhistles and flageolets in the key of D. Renowned author/musician Bill Ochs has gone to great lengths to create a package that truly has something for everyone.

The lessons are clear and easy enough that a complete beginner can learn to play a simple tune after the first lesson. Intermediate and advanced players will enjoy exploring this book's exciting collection of traditional music. The 83 pieces include a wide variety of song styles - gigs, reels, hornpipes, fife tunes, slow airs, Highland flings, morris dances and lots more. Each piece is played on the online audio by renowned New York tin whistle teacher, Bill Ochs. An advanced ornamentation tutorial is also included with key of D. Access to online audio is included.
