

Elemental Ukulele: Pathways & Possibilities

\$59.95

Product Images

Description

Elemental Ukulele is a supplement to the *Purposeful Pathways* core materials, following the *Purposeful Pathways* model and integrating Orff-Schulwerk, Kodály, and eurhythmics.

These 15 active music making lessons for elementary and middle school music classrooms are great for classrooms looking to integrate ukulele playing into their general curriculum. This book can be used with the *Purposeful Pathways* or as a stand-alone curriculum piece. Printable scores, manipulatives, and other visuals are available as a download with the book.

Contents:

- We are Dancing in the Forest
- Let Us Chase the Squirrel
